Summary: A mushy poem, I admit. It's about two of my favorite characters, Zechs and Noin.

Always Holding On

Feeling a love so strong I know it can't be real,

We live in different worlds,

Far away and yet so close....

I can't help but wonder if we'll ever be together.

If love can break all boundaries,

Ours will be ultimately tested.

If this is destiny,

Then it makes no sense that it must be so hard to reach.

All I have to do is look at those around us and I see what I really want.

Replacing every couple I see with us.

Everyone else seems to be so happy,

But the two of us have broken hearts,

They barely hold the small hope of love to console deepest pain.

Watch the days go by and dream away our lives.

I see you so consumed by rage and my hope is shattered.

Is this our fate...?

You look at me like I was a stranger,

Do you even remember what we used to be?

I can shut out everything else,

But I see the hurt in your eyes and my wall crumbles away.

You bring back fondest memories,

You make me think of the innocence I used to know,

How did we stray so far from the dream of love?

End
file.
